DETENTION – TRAILER WITH TRACTOR

This item applies when Carrier's trailers with tractors are delayed or detained on the premises of consignor or consignee, or as close thereto as conditions will permit, subject to the following provisions:

1. General Provisions:

- a. This item applies only when the delay or detention is not attributable to Carrier.
- b. The charges provided in this item will be assessed against the payor of the freight charges unless payment has been guaranteed to the satisfaction of Carrier by the consignor, consignee or a third party.
- c. When Carrier's employee assists in loading, unloading or checking the freight, this item will apply whether or not the tractor is actually detained.
- d. Nothing in this item shall require Carrier to pick up or deliver freight at hours other than Carrier's normal business hours. This shall not be construed to restrict Carrier's ability to pick up or deliver shipments at times other than its normal business hours.

2. Computation of Time:

- a. The beginning, ending and non-working times shall be entered into Carrier's driver hand-held log device by Carrier's employee and that will be binding on each party.
- b. The time for each vehicle will begin when the vehicle arrives at the Customer's property.
- c. The time for each vehicle will end when loading or unloading is completed and, in the case of loading, the consignor or its representative furnishes Carrier's employee a signed Bill of Lading or other documents necessary for forwarding the shipment, or, in the case of unloading, the consignee or its representative furnishes Carrier's employee with a signed Delivery Receipt.
- d. If an appointment has been made, computation of time begins at the set appointment time, not before. If Carrier is more than 30 minutes late for an appointment then 1 minute of free time will be added for each minute Carrier is late. Carrier's internal records of scheduled appointments will be the sole basis of determining the appointed time for pickup or delivery as the case may be.
- e. When loading or unloading is not completed at the end of normal business hours, the consignor or consignee, or their representative, shall have the option to request that the vehicle remain at its premises without tractor or to request that the tractor be returned to Carrier's terminal subject to the following:
 - i. If the trailer with tractor is changed to a "dropped" or "spotted" trailer before expiration of the free time for a vehicle with tractor, free time will cease immediately at the time the request is made and detention charges for a "dropped" or "spotted" trailer will begin immediately with no further free time allowed.
 - ii. If the change to a trailer without tractor is requested and made after expiration of free time for trailer with a tractor, the shipment(s) will be subject to accrued charges for detention with tractor, if any, and charges for detention of a trailer without tractor will begin to accrue immediately with no further free time allowed.
 - iii. If the consignor or consignee requests that the vehicle be returned to Carrier's terminal, computation of any remaining free time will cease at the time of the request. That portion of the shipment in Carrier's possession will be subject to storage charges as provided in Item 910 of this Tariff. When the vehicle is returned to the consignor's or consignee's premises, computation of any free time will resume. That portion of a shipment that is redelivered to a consignee will be subject to redelivery charges as provided in Item 830 of this Tariff.
- f. If the consignee cannot guarantee that physical unloading will commence within 30 minutes of the time that Carrier's employee advises the consignee that the shipment(s) is (are) available for delivery, Carrier may consider the shipment(s) refused through no fault of Carrier and the shipments will then become subject to redelivery, and possible storage charges.

3. Free Time: The free time per vehicle shall be 60 minutes upon arrival.

4. Detention Charges: The charge for the delay of each vehicle beyond the free time will be **\$85.00** per hour.

EXTRA LABOR – LOADING OR UNLOADING

1. When required, or requested by the consignor or consignee, extra labor, if available, may be furnished by Carrier for loading or unloading.
2. At each location where extra labor other than the driver is provided, the charge will be **\$110.00** per person per hour, subject to a minimum charge of **\$320.00** per person per day.
3. Time shall be computed from the time the extra labor arrives at the place of pickup or delivery until the time when the loading or unloading is completed.
4. Such charges will be in addition to all other lawful charges and will be assessed against the payor of the freight charges unless payment has been guaranteed to the satisfaction of Carrier by the consignor, consignee or third party.

LIFTGATE SERVICE

1. When Carrier is requested or required to employ mechanical loading or unloading devices, including hydraulic lifting or lowering devices, to accomplish pickup or delivery of the goods to or from Carrier's vehicle, will be subject to a charge of **\$90.00** per shipment, in addition to all other applicable charges.
2. This service charge will be assessed upon the actual total weight of the shipment or shipments for which such service is rendered at one time.
3. Provisions of this rule shall not be construed as obligating Carrier to provide such service if, for any reason, Carrier finds it impracticable or unsafe to provide the service.

PICKUP OR DELIVERY — INSIDE

1. When requested or required by the consignor or consignee, and Carrier's operating conditions permit, Carrier may move shipments or portions of shipments from or to position beyond the immediately adjacent truck loading or unloading positions.
2. Service under this Item will be provided to floors above or below the level accessible to Carrier's vehicle only when elevator service is available.
3. When Carrier is required to deliver palletized freight and the consignee has no dock or unloading area equipped with unloading equipment, Carrier may break down the pallet and tender the freight as pieces, if the freight characteristics do not endanger the driver or other freight.
4. Service provided under this Item will be assessed the following charges per shipment or per vehicle if more than one vehicle is involved in the transport of the shipment.
5. When the service is performed, except as otherwise specified, the charges will be:

\$8.00	per CWT

RECONSIGNMENT OR DIVERSION

1. Definitions of Reconsignment or Diversion

- a. Relinquishment of the shipment at the point of origin, either back to the shipper or to another carrier.
- b. A change in the place of delivery; including, but not limited to, a change to pick up at Carrier's terminal.

2. Conditions

- a. Requests for reconsignment must be made in writing from the shipper, consignee or their authorized agents. Carrier must be satisfied that the party making the request has the authority to do so. Carrier will not accept disposition instructions printed on the bill of lading, shipping label, or container as authority to reship, return or reassign a shipment. Instructions to reassign a COD shipment will be accepted only from the consignor.
- b. Carrier will make a diligent effort to execute a request for reconsignment.
 - i. Carrier is not obligated to retrieve a shipment that is already loaded on a vehicle and ready for over the road transportation in order to honor a request for reconsignment. If a shipment is already loaded on a line haul trailer when reconsignment instructions are received, the reconsignment point will be the next location at which the shipment is scheduled to be unloaded.
 - ii. If, at the customer's request, Carrier is able to unload freight from a trailer in order to retrieve a shipment for reconsignment, a fee of **\$90.00** per person per hour will be applied to retrieve the shipment and to reload the trailer from which the freight was removed.

3. Charges: A request for the reconsignment or diversion of a shipment will be subject to any or all of the following charges, in addition to all other applicable charges:

- a. An administrative fee of **\$50.00** per shipment for change in documentation applies on all reassigned shipments, including, but not limited to, dock pickups (See NOTE).
- b. Recalculated line haul charges as described in paragraph i. below unless either of the following is true:
 - i. Shipment is reassigned before leaving the origin terminal.

In either of the above cases, linehaul charges will be recalculated from the shipper's origin point to ultimate consignee.

- c. Line haul charges will be recalculated from the shipment's origin point to the point of reconsignment (see paragraph ii.), and from the point of reconsignment to the ultimate consignee, using the paying customer's discount percentage and exception rating from the origin to the ultimate destination. If there is no exception rating or percentage discount published for the payor of the reconsignment charges, provisions published in Tariff ODFL 602 will apply.
- d. The point of reconsignment will be determined as follows:
 - i. **Prior to tender for delivery:** the ODFL service center at which the shipment is stopped upon Carrier's acceptance of request for reconsignment.
 - ii. **After tender for delivery:** the delivery point of the shipment prior to Carrier's acceptance of request for reconsignment.

2. Corrected bills of lading or letters of authority to change or add valuation after delivery of the shipment shall not be accepted by Carrier to determine liability.
3. When civil actions are instituted after this date, Carrier shall have no cargo claim liability.

SECTION 3: Any portion of a shipment either originating in Caribbean or going to Caribbean while within the borders of Mexico.

1. Carrier's maximum carrier cargo liability for loss or damage to a shipment or part thereof (except for concealed damage losses as noted in 2 below), either for itself or for a Mexican carrier involved in the move while in the possession of the designated brokers, freight forwarders, or Mexican carriers while on land within the borders of MEXICO, shall be limited to whichever is lowest of the following:
 - a. actual invoice costs of the shipment; or
 - b. a maximum of **\$0.05** per pound or **\$500.00** per occurrence.

This maximum level of carrier cargo liability applies only to the weight of the lost or damaged commodities unless limited by this SECTION 3 or the procedures for securing a higher level of carrier cargo liability at a higher transportation charge as set forth under *OPTIONAL HIGHER LEVEL OF CARRIER CARGO LIABILITY* are followed.

2. Liability for concealed damage of cargo moving between CARIBBEAN and Mexico: With respect to any shipment originating in CARIBBEAN with ultimate destination in Mexico or any shipment originating within Mexico with ultimate destination in CARIBBEAN, Carrier's maximum carrier cargo liability, either for itself, its agents, interline carriers, designated brokers, freight forwarders or for the Mexican carrier involved in the move, for concealed damage claims submitted, regardless of time-frame, will be limited to a maximum of **\$50.00** per occurrence.
3. All additional limitations outlined under (a), (b), (c), (d), and (e), along with applicable NOTES 1B, 1C and 1D of SECTION 1 of this *MAXIMUM CARRIER CARGO LIABILITY* section apply as written. Please refer back to SECTION 1 for these limitations.

SECTION 4: Any shipment either originating in or going to Caribbean that falls under the definition of air freight as defined by ODFL Tariff 665.

1. Carrier's maximum carrier cargo liability for loss or damage, or mis-delivered cargo for any Air Freight shipment or part thereof shall be limited to the lowest of the following:
 - a. the actual invoice value; or
 - b. the limitation of liability set forth in any applicable international convention;

This maximum level of carrier cargo liability applies unless limited by this SECTION 4 or the procedures for securing a higher level of carrier cargo liability at a higher transportation charge as set forth under *OPTIONAL HIGHER LEVEL OF CARRIER CARGO LIABILITY*.

2. All additional limitations outlined under (b), (c), (d), and (e), along with applicable Notes 1B, 1C and 1D of SECTION 1 of this *MAXIMUM CARRIER CARGO LIABILITY*, apply as written, unless they conflict with any limitations noted under ODFL 665 Tariff, in which case, ODFL 665 Tariff will take precedence.

OPTIONAL HIGHER LEVEL OF CARRIER CARGO LIABILITY

1. Unless otherwise agreed in writing, all shipments either originating in CARIBBEAN or have a final destination of CARIBBEAN are subject to the MAXIMUM CARRIER CARGO LIABILITY noted within this ODFL 502 Series Tariff. If no optional higher level of carrier cargo liability (also referred to as additional cargo liability) is selected pursuant to the terms noted within this OPTIONAL HIGHER LEVEL OF CARRIER CARGO LIABILITY, shipper, consignee and/or their respective agents (collectively referred to as "Customer") agree that the maximum carrier cargo liability of Carrier is limited as set forth under MAXIMUM CARRIER CARGO LIABILITY. All rates/values are in US Dollars unless otherwise noted.
2. The person and/or entity who tenders the shipment to Carrier or its partners represents and warrants it has the authority to bind itself, and any other person and/or entity with an interest in the cargo transported, to the limitation of liability, payment terms and other terms set forth in this tariff.
3. Additional cargo liability is NOT and will not be considered insurance for the cargo. Additional cargo liability is also not available on certain commodities originating in or going to CARIBBEAN, including but not limited to all articles that are not transported by Carrier as set forth under PROHIBITED OR RESTRICTED ARTICLES and Household Goods. If these commodities are inadvertently accepted, Carrier or its partners shall not be liable, to the maximum extent possible under the law, for the transport, loss or damage of these commodities, regardless if the Customer requests to purchase and/or pays for the additional cargo liability.
4. Prior to tendering the shipment to Carrier or its partners, Customer may obtain additional cargo liability for the shipment, which completely replaces the level of carrier cargo liability outlined under MAXIMUM CARRIER CARGO LIABILITY (or as otherwise provided in an applicable contract or tariff), by complying fully with BOTH of the below steps. Failure to comply with both of these steps will result in the shipment reverting back to the level of carrier cargo liability outlined under MAXIMUM CARRIER CARGO LIABILITY or as otherwise agreed to in writing.

STEP 1: Requesting additional cargo liability in writing for the Covered Value (as defined under (f) below) by either:

- a. sending a written request to a representative of the Carrier that includes the full Covered Value to be protected for the shipment, receiving written confirmation of estimated price and agreed upon Covered Value of the shipment, and noting in writing the agreed upon Covered Value on the original bill of lading;*
- b. noting in writing the request for additional cargo liability (pursuant to and in compliance with (g) below) on the original bill of lading by writing the full Covered Value of the shipment to be protected on said bill of lading. See (g) below for the maximum limit allowed to be noted on bill of lading without having to obtain written confirmation and approval from Carrier; * or
- c. making a request for additional cargo liability in the Carrier's rating system and noting BOTH the applicable quote number and the request for additional cargo liability (with or without the Covered Value amount) on the original bill of lading.*

**Please note: Declared Value is NOT a substitute for Covered Value and any notation of only a Declared Value does not trigger a request for additional cargo liability as outlined under this OPTIONAL HIGHER LEVEL OF CARRIER CARGO LIABILITY due to the various regulatory/statutory requirements to note a Declared Value on many shipments being transported outside the United States.*

STEP 2: Agreeing to pay and actually paying within terms the higher transportation charge estimated by Carrier as calculated per (e) below for transporting the shipment at the agreed upon higher level of carrier cargo liability.

- a. A rate of **\$0.50 per \$100.00 of value** (value is calculated using the Covered Value requested by the Customer plus freight charges), **subject to a \$50.00 minimum charge per shipment** for shipments either originating in CARIBBEAN or having a final destination of CARIBBEAN while on land or ocean or a combination of both (including within the borders of CARIBBEAN). This rate is for information only and is subject to change (please contact Carrier for the current rates applicable to the shipment).

- b. The term "Covered Value" is defined as the entire amount (starting at first dollar) for which the Customer, requests carrier cargo liability protection on the shipment, subject to the limitations set forth in this *OPTIONAL HIGHER LEVEL OF CARRIER CARGO LIABILITY*. For Example: If the level of carrier cargo liability under *MAXIMUM CARRIER CARGO LIABILITY* would be a maximum of **\$50,000** and the Customer desires carrier cargo liability of **\$145,000**, the Customer must request a Covered Value of \$145,000 as additional cargo liability completely replaces the level of carrier cargo liability outlined under *MAXIMUM CARRIER CARGO LIABILITY* (or as otherwise provided in an applicable contract or tariff). This notation can be made on the bill of lading as either "**Covered Value requested at \$145,000**" or "**Additional Cargo Liability of \$145,000**" or "**Covered Value \$145,000.**"
- c. Unless Customer receives written confirmation and approval from an officer of the Carrier for an amount higher than what is noted below prior to tendering the shipment to Carrier or its partners, additional cargo liability cannot exceed the below maximums:
- i. **\$250,000** per shipment - new commodities (excluding Tradeshow commodities); or
 - ii. **\$15,000** per shipment - used commodities, reconditioned commodities, refurbished commodities and/or personal effects (excluding Tradeshow commodities).
 - iii. **\$50,000** per shipment – any commodities associated with or to be used in a Tradeshow exhibit or demonstration subject to the limitations and exclusions noted under (k) below.

If Customer requests additional cargo liability on an original bill of lading in an amount that is higher than the above maximums, but the Customer does not have the required written confirmation and approval of an officer of Carrier prior to tendering the shipment to Carrier or its partners, the request for additional cargo liability will defaulted back to the appropriate maximum noted above.

- d. This higher level of carrier cargo liability commences from the time Carrier or its partners takes possession of the approved commodities and continues in force during the ordinary and customary course of transit to the final destination. Carrier will not, however, accept requests for additional cargo liability on a corrected waybill or bill of lading after the shipment has been picked up by Carrier or its partners.
- e. Carrier shall not be liable for a higher level of carrier cargo liability through any unilateral act of the Customer. In no event shall Carrier's liability include damages for delay, loss of use, loss of market, lost profits or business interruption, consequential damages, punitive damages, indirect damages, special damages, fees or charges of any kind arising from any claim filed. Carrier shall also not be liable for damages caused by or resulting from mechanical breakdown, inherent vice, act of God, act of public authority (including US Customs), act of the Customer, wear and tear, insects, vermin or the like, gradual deterioration, or damage caused by weather of any kind or severity. Carrier is also not liable for any damage or loss due an act of public enemy including terrorist attack or action or any nuclear incident/radiation/contamination (controlled or uncontrolled), whether foreseeable, disclosed or not.
- f. Carrier's total carrier cargo liability obligation for loss or damage to any shipment or part thereof shall be limited to the lowest of: 1) the actual invoice value; 2) replacement cost; or 3) the total additional cargo liability requested and approved under this *OPTIONAL HIGHER LEVEL OF CARRIER CARGO LIABILITY*. Charges associated with additional cargo liability are not recoverable in the event of a cargo claim for loss or damage. Carrier must receive all claims for cargo loss or damage, including all supporting documentation, within nine (9) months of the date of delivery or, if lost, the date delivery was anticipated and Carrier must be allowed to perform a proper inspection of the freight and circumstances of the claimed loss or damage. Carrier must be notified of any claims for concealed loss or damage within five (5) business days from the date of delivery and Carrier must be allowed to perform a proper inspection of the freight and circumstances of the claimed loss or damage. Failure to timely submit a claim and supporting documents or allow for a proper inspection to be performed, as set forth herein shall result in denial of the claim and Carrier shall have no liability for the claim. Civil actions instituted against Carrier shall be instituted no later than two (2) years from the day when written or electronic notice is given by Carrier to Customer that Carrier has disallowed the claim or part thereof. When civil actions are instituted after this date, Carrier shall have no cargo claim liability.

- g. With respect to any commodities associated with or to be used in a Tradeshow exhibit or demonstration, this additional cargo liability shall extend only while said commodities are in the care, custody and/or control of Carrier or its partners, subject to the following exclusions, and ceases upon delivery of the commodities.
- i. Loss arising from wear, tear, gradual deterioration, depreciation or inherent vice.
 - ii. Loss of or damage to any type of electronic mobile devices – including, but not limited to, cell phones, smart phones, and tablets.
 - iii. Loss of or damage to televisions and monitors.
 - iv. Late arrival of goods.
 - v. Damage to goods being returned from exhibitions or shipped elsewhere unless they are packed to the same standard as for the outward journey.
- h. The use of the term “partners” in this *OPTIONAL HIGHER LEVEL OF CARRIER CARGO LIABILITY* shall include agents, employees, interline carriers, designated brokers, freight forwarders and other service providers in any way involved in the transportation of the shipment.
